

**M20 - A20 To Dover.** As you reach Dover, you'll come across the first of 4 roundabouts - go straight ahead the first 3, turn left at the fourth into **York Street**. Go straight ahead to next roundabout and take 2nd exit (**Priory**). By the traffic lights, turn right into **Ladywell** (signposted for Police station). At next traffic lights **turn right but keep left** - we are approx 100 yds on the left.
